Lesson Contract

1. Private lessons are 30 minutes once per week.
2. Lessons are \$20 per half hour and must be paid in advance by the calendar month. Contract is month to month.
3. Pay for the number of lesson days in the month. Teachers are not paid for unpaid lessons. Example – if lesson day is Monday and there are 4 Mondays in a month, \$80 is due by the first Monday. If there are 5 Mondays in a month then \$100 is due by the first Monday.
4. Each month to be paid in full as there is no pro-rating or “moving a lesson to the next month.” Our teachers have reserved their time for you. If they show up for a single lesson twice which has not been paid for, their wages have been cut in half.
5. One excused absence allowed per month, 24-hour notice is mandatory. You will receive a make-up lesson for the excused lesson. There are no “make-ups for a make-up.”
6. Your payment guarantees your time. Please pay by the first lesson of the month.
7. Lesson payments are not refundable. *Thank You!*
